* Phenyx PTU-7000-4H is listed at \$309.99; Phenyx's Labor Day page explicitly places it in the 10% off wireless-microphone section with code **2026LABOR10**. Estimated checkout price: \$278.99 before tax. Sale page states Aug. 24-Sep. 7.

2. Bundles & Promotions Worth Using

Offer	What it saves / why it is useful
Mackie Thump12v4 Sweetwater bundle	Current price \$1,099 vs. \$1,165.95 separately - \$66.95 bundle savings. It already includes the two mains, two speakers, and two stands.
Mevo Start Sweetwater promotion	Current price \$389.99, \$60 instant savings; Sweetwater states the offer is effective through September 13, 2026.
Phenyx Labor Day sale	PTU-7000-4H \$309.99 list price; Labor Day wireless-mic code 2026LABOR10 gives 10% off select wireless microphones.
XR18 bundles	Sweetwater has larger XR18 rack/control-surface bundles, but they add equipment DBP does not need for this competition.
Alto TX408 bundles	Sweetwater offers pair/stand bundles, but this specification needs only one floor monitor. Buy the single TX408 at \$149.

3. What the \$2,668.85 Estimate Delivers

Audience PA: 2 x Mackie Thump12v4 powered mains on stands. **Singer monitoring:** 1 x Alto TX408 active floor monitor. **Mixing:** Behringer XR18. **Vocals:** four Phenyx wireless handheld microphones. **Streaming:** Mevo Start with direct stereo feed from a dedicated XR18 Aux 5/6 stream mix and 128GB local recording. **Control:** private TP-Link Wi-Fi network connected to XR18 by Ethernet.

Recommended Connection Plan

Behringer XR18

Main L/R -> bundle XLR cables -> Mackie Thump12v4 Left/Right

Aux 1 -> 25-ft XLR -> Alto TX408 floor monitor

Aux 5 + Aux 6 -> Hosa dual-XLR-to-3.5mm TRS -> Mevo external audio input

Control Network

Tablet)) private 5 GHz Wi-Fi)) TP-Link AX1500 -> Cat6 -> XR18

Mevo

Mevo Start -> 128GB microSDXC local recording + live stream

4. Small Accessories to Budget Separately

Accessory	Planning allowance	Comment
Mevo tripod / stand	\$20-\$40	Needed unless client already has a suitable 1/4-20 / compatible stand.
USB power adapter or power bank	\$20-\$40	Recommended for long events; Mevo can be continuously powered.
Grounded power strips / extensions	\$30-\$60	Venue-dependent. Do not under-size extension cords for powered speakers.
Gaffer tape / cable protection	\$15-\$30	Strongly recommended where cables cross guest/staff paths.
Protective bags/case	Optional	Useful for repeat mobile events; not required for initial operation.

Practical all-in planning budget: approximately \$2,755-\$2,840 before sales tax if the client also needs a Mevo stand, continuous-power solution, power distribution and cable-safety supplies.

5. Price Notes

Prices were observed online on September 6, 2026 and may change without notice. Sales tax is not included. Shipping is not included where a retailer does not explicitly show free shipping. The Phenyx discount requires the stated coupon to be accepted at checkout. The estimate intentionally avoids unnecessary XR18 rack/control-surface bundles and the two-speaker Alto bundle.
